## EDUCATION

**Punjab Group of Colleges**  
Intermediate in Computer  
Science  
(2021-2023 )

## SUMMARY

Web developer with 4+ years of experience in frontend and backend development, specializing in Node.js, Next.js, and React.js. I design and build backend systems, RESTful and GraphQL APIs, microservices, and serverless solutions. With a strong track record of delivering successful projects, I am a proactive problem-solver who values best practices and clear communication.

## SKILLS

- Backend Development
- Frontend Development
- Problem Solving & Critical Thinking
- Project Management & Collaboration
- Strong Communication Skills
- Unit & Integration Testing

## WORK EXPERIENCE

### Full Stack Developer | Automation

Upwork (freelance) (2021 – Present )

- Built and integrated APIs and microservices for scalable backend systems.
- Managed full-stack development, ensuring seamless frontend and backend integration.

### Next.js FullStack Developer

DawahSoft PVT LTD ( 2024 – Present )

- Developed full-stack web apps using Next.js and Node.js.
- Enhanced performance using server-side rendering (SSR) and static site generation (SSG).

# Testimonials & Client Feedback

As I've worked mostly as a freelance for the past 4 years, below are the feedbacks from my clients.

To verify the feedbacks, you can check out my [Upwork Profile here](#)

## Client's feedback

★★★★★ 5.00

*"Sajawal was awesome to work with!! Very attentive and really took the time to understand what I was trying to accomplish with this project. Would hire again 10/10!"*

Overall rating

5.00

## Client's feedback

★★★★★ 5.00 Apr 20, 2024

*"I hired this guy for a project, and he delivers what he promises. Very nice, clean coding and great understanding of the tasks given. One of my favourites on Upwork."*

Overall rating

5.00

## Client's feedback

★★★★★ 5.00

*"Outstanding performance! Sajawal made sure everything worked and even did revisions. He was always responsive to what I wanted. I recommend him for the NodeJS project you wish to take him. Looking forward to working with him again!"*

Overall rating

5.00

## Client's feedback

★★★★★ 5.00

*"Very good coder to work with. Understands tasks very well."*

★★★★★ 5.00 Mar 30, 2022

*"Python or NodeJS developer? Don't look any further. I hired this guy for a few things now and he delivers what he promises. Very nice, clean coding and great understanding of the tasks given. One of my favorites on upwork."*

Overall rating
