📍 Karachi, Pakistan

## SUMMARY

As a motivated, adaptable, and responsible Computing student, I am seeking a position in an organization where I can utilize my professional and technical skills. With a focused approach to work and a strong drive to see projects through to completion, I am eager to contribute to a dynamic team. I possess proficient skills in JavaScript, React.js, Next.js, and other modern web development technologies, ensuring I can deliver high-quality, efficient, and scalable solutions.

## EXPERIENCE

### Frontend Developer

#### Fugen Services

📅 08/2022 - 01/2023 📍 Karachi, Pakistan

Developed and maintained software applications, focusing on usability and performance.

- Transform designs into responsive web pages using HTML, CSS, and JavaScript.
- Collaborate with designers and back-end developers for seamless integration.
- Ensure cross-browser compatibility and optimize for speed and scalability.
- Test, debug and maintain front-end code for quality and performance.
- Integrate APIs to fetch data and enhance functionality.

## STRENGTHS

### Problem Solving

Expert in resolving complex issues using JavaScript, React.js and other technologies.

### Team Leadership

Proven ability to lead and motivate teams, fostering collaboration and achieving project goals efficiently.

### Adaptability

Highly flexible and quick to adjust to new challenges, environments, and technologies ensuring continuous progress and success.
