PROFILE

Seeking a front-end developer position to apply my skills in JavaScript, HTML, and CSS for building responsive, user-centric web applications. I am committed to delivering seamless user experiences and contributing to bringing innovative projects to life. With a keen eye for detail and a passion for modern web technologies, I strive to create engaging, accessible, and efficient digital solutions that meet both user and business needs.

WORK EXPERIENCE

TABA KIDNEY HOSPITAL

July 2023 - August 2023

Internship (Finance Department)

- Interning in the finance department of a hospital provided valuable experience in budgeting, financial analysis, and expense management. It enhanced my analytical skills, attention to detail, and understanding of healthcare financial operations
- Worked effectively as part of a multidisciplinary team: Hospitals involve collaboration between various professionals

ZINDAGI TRUST

July 2024- August 2024

Teacher (Summer Camp)

- Teaching at a welfare school's summer camp was a rewarding experience, enhancing my communication, adaptability, and classroom management skills while fostering social responsibility

THE MIND EXPLORER

Internship (Finance Assistant)

July 2022 - August 2022

- Guided students in assembling and programming robots using platforms like Arduino, LEGO Mindstorms, or similar technologies.
- Fostered a collaborative learning environment to enhance problem-solving, critical thinking, and teamwork skills among students.
