EDUCATION

Salim Habib University

Bachelor's Degree in Computer Science
September 2020 – July 2024

PROJECTS

Presentra

Mobile Application Development | | Expo

- Designed and developed Presentra, a highly acclaimed mobile app for creating and delivering presentations.
- Incorporated real-time updates, multimedia elements, and cloud integration, resulting in a streamlined and collaborative presentation process.
- Implemented annotation features for interactive engagement, enabling users to deliver captivating and interactive presentations.
- Developed analytics system to measure audience engagement, providing valuable insights for improving presentations.

Library Management System

DBMS | OOP, C++, Sql Server

- Utilized a SQL Server database to store and manage information about library resources, members, and transactions.
- Implemented OOP principles in C++ to create modular and reusable code components, enhancing organization and maintenance.
- Integrated the system with the DBMS to ensure seamless data management, consistency, and reliability in library operations.

AutoTest Accelerator

CYPRESS | Automation Testing

- Implemented Cypress for simplified and efficient automated testing.
- Enhanced core application testing, prioritizing user-friendly operations.
- Expedited development cycles, leading to faster and more reliable releases.
- Significantly improved customer satisfaction through consistent, high-quality software releases.
- Streamlined the transition from manual to automated testing.
- Established a solid regression testing foundation.
- Fostered a collaborative, iterative approach in development sprints, enhancing the overall software development process.

SKILLS

Selenium

Postman

API Testing

Cypress

Performance Testing

Ulpath

Jmeter

Bug Report

Manual Testing

React.js

DBMS

SQL

Analytical Thinking

Communication

Problem-Solving

Collaboration

CERTIFICATES

Software Quality Assurance (SQA)

Hazza institute of technology - Jul 2023

Certified Software Quality Engineer (CSQE)

Udemy Issued Jul 2023

Ethical hacking from Scratch

Udemy Issued May 2023

ACHIEVEMENTS

- Vice Chancellor's Honor List for academic excellence.
- Vice President, Media & Marketing Society, organizing events.
- Head of Marketing, CS Cube, enhancing visibility.
