Addis Ababa, Ethiopia

SUMMARY

Motivated and detail-oriented Full Stack .NET Developer with experience in designing, developing, and maintaining web applications. Proficient in both front-end and back-end technologies, including .net Core, C#, JavaScript, HTML, CSS, ReactJs and SQL Server. Demonstrated ability to collaborate effectively with cross-functional teams to deliver high-quality software solutions on time. Strong problem-solving skills and a passion for learning new technologies. Seeking to contribute to a dynamic development team to create impactful solutions while furthering my expertise in web app development.
