SUMMARY

With knowledge in Python and Django, and a growing proficiency in Node.js, Express.js, and React.js through completed projects and coursework.

SKILLS

- **Python & Django:** Knowledgeable in Python with practical experience in full-stack web development using Django, including an e-commerce website as a capstone project. Familiar with Selenium and Web Scraping techniques.
- **Node.js & Express.js:** Proficient and experienced; successfully applied skills in building a Doctor Appointment website project.
- **React.js:** Knowledgeable in both fundamental and advanced concepts; utilized skills to develop the Doctor Appointment project.
- **HTML, CSS, Tailwind & Bootstrap:** HTML, CSS, Tailwind & Bootstrap: Solid understanding of HTML5 and CSS3 for layouts, utilizing Tailwind CSS and Bootstrap to create modern, visually appealing interfaces.
