## ABOUT ME

I am a multidisciplinary Designer and Developer with a curious mind. I am Product Design and results-oriented Senior UI/UX Designer and Developer with over a decade of experience in creating user-centric digital solutions. Proven expertise in transforming complex concepts into intuitive designs that enhance user experiences and drive engagement.

Adept at utilizing a variety of User Interface Design, Product Design, front-end technologies, App Design, Website Designs, including HTML5, CSS3, JavaScript, and JQuery, alongside CMS platforms like WordPress and WIX. Strong background in responsive design, ensuring optimal performance across all devices.- Committed to delivering high-quality, innovative designs that meet business objectives and exceed user expectations.

## EDUCATION

- B.COM KARACHI UNIVERSITY
- DIPLOMA FROM ARENA MULTIMEDIA
