

Raheel Hasan

Education

Bahria University Karachi Campus

2022 - Current

Bachelors in Computer Sciences | **CGPA 3.5**

- Ongoing studies in Computer Science, with a strong emphasis on programming languages, algorithms, and data structures.
- Completed 4 semesters, gaining a solid foundation in C++, object-oriented programming, and core computer science principles, preparing for advanced coursework in software development and computer systems.

Habib Public High School

2020 - 2022 | Grade: **A+**

Intermediate - Computer Science

Work Experience

The Game Storm Studios | Karachi

Unity Game Developer - Intern | March 2024 - June, 2024

- I enhanced and modified game functionalities by implementing new features, debugging, and ensuring smooth gameplay. I collaborated with the team to design and integrate game elements, optimized performance, and ensured cross-device compatibility. This role helped me build a strong foundation in Unity, C#, and game development principles.

Tecnezo | Karachi

AR Android Application Development | July 2023 - Dec 2023

- Develop comprehensive and engaging video courses on Augmented Reality (AR) application development, focusing on using Unity and Vuforia.
- Guidance: Provide practical exercises and projects to enable learners to apply their knowledge and skills in AR application development.

Unity Game Developing Instructor | Aug 2022 - Dec 2023

- Develop engaging and comprehensive video courses on Unity game development, following a structured curriculum.
- Manage the production process of the video courses, ensuring timely delivery and maintaining consistent quality standards.

About myself

To attain a place that will empower me to utilize my skills and abilities to contribute into your respectable organization's value chain. Successful at working towards deadlines and listening to constructive criticism, offering the best that is possible. Keen at managing multiple tasks at a time.
