

GREY YAKUBOV

SOFTWARE ENGINEER | GRAPHIC DESIGNER

I work as an IT specialist and graphic designer. I specialize in server management and network administration. Always open to new opportunities to expand my knowledge and leverage my skills in IT.

Qualities: honesty, responsibility.

Born: February 19, 2002 (age 22 years), Andijan, Uzbekistan

Hobbies: One of my favorite hobbies is spending time in Photoshop, where I engage in photo editing and manipulation. I enjoy watching movies in foreign languages, it helps me improve my language skills and immerse myself in different cultures.
