EDUCATION

Master of Computer Application

Indira Gandhi Open University

07/2021 - 07/2023

Bsc Computer Science

University of Calicut

07/2014 - 07/2017

WORK EXPERIENCE

Flutter Developer Intern

Atees Infomedia

03/2024 - Present

Live Projects helped me to improve my technical skills, as well as, able to get better understanding of the concepts and its implementation.

Achievements/Tasks

- Learning the fundamentals of flutter development, including the dart programming language and flutter framework
- Assisting in the development and maintenance of flutter application
- collaborating with senior developers to create efficient, scalable and user friendly mobile applications
- Developed and implemented user friendly mobile application using flutter framework
- Writing clean architecture and well documented code, while developing application.
- Stayed updated with the latest flutter and dart technologies , tools and practices
- Had done Live Projects like shopping application and food ordering application, which helped for better understanding of the concepts and proper implementation of backend connection.
- Learn about different approaches to manage state in flutter, such as providers.
- Integrated firebase services and APIs to enhance app capabilities

CERTIFICATION

Flutter Mobile Application Developer

Atees Industrial training Institute

TECHNICAL SKILLS

UI/UX design

Flutter Framework

Dart

State Management

Firebase Integration

API Integration

Version Control

JSON

Mobile Application development

PROJECTS

Shopping Application

- Flutter and dart
- Back end storage using firebase
- API connection

Food ordering Application

- Flutter and dart
- backend storage using firebase
- State Management
- Repository and Providers

Automated brain tumour detection system(python,sql)

- PG project

Grocery management app(Java and sql)

- UG Project
