SYED MOIZ **KAZMI**

Phone number: 03422219997   Email: abdul.moiz.kazmi@gmail.com

Objective
Seeking a challenging role in a reputable organization to utilize my technical, database, and management skills for the organization's growth while enhancing my knowledge of new and emerging trends in the IT sector.

EXPERIENCE

Junior developer- SHOZ GLOBAL **(2 Years)**

- Developed and maintained responsive web portals using HTML5, CSS4, JavaScript, and Node.js.
- Focused on layout design, styling, interactivity, and seamless user experience.
- Optimized website performance for cross-browser compatibility and functionality.
- Debugged front-end issues and integrated front-end features with back-end logic.
- Delivered high-quality code on time, ensuring client satisfaction and meeting project **deadlines.**

Key Technologies

HTML5, CSS4, JavaScript, firebase, and Node.js

Personal Projects:

Weather App

||API Integration || JavaScript (ES6+)

- Developed a weather application using JavaScript and integrated it with a weather API to provide
- real-time weather updates for locations worldwide. The app displays current weather conditions.

E-Commerce Website

- Built a responsive eCommerce website using **HTML5**, **CSS5**, and **JavaScript ES6**.
- Implemented product filtering, shopping cart, and accessibility features.
- Ensured cross-browser compatibility and optimized for user experience.
