Objective

Motivated and detail-oriented individual currently pursuing a Diploma in Web and App Development from APTECH, with a strong focus on accuracy and efficiency. Eager to apply my organizational skills and keen attention to detail in a data entry role. Though new to the workforce, I am committed to delivering high-quality work, maintaining accuracy, and contributing to the success of the team. Ready to bring a strong work ethic and a willingness to learn to my first professional opportunity.

Skills & abilities

1. Proficient in front-end web development, specializing in creating responsive websites using HTML, CSS, and JavaScript.
2. Experienced in utilizing Bootstrap to build mobile-first, responsive designs.
3. Strong understanding of database management, with hands-on experience in MySQL for data storage, retrieval, and management.
4. Skilled in using MS Excel for data organization, analysis, and reporting data.
5. Detail-oriented and able to manage multiple tasks effectively while delivering accurate results within deadlines.
