EXPERIENCE

Junior Frontend Developer | Aabiz Solutions (July 2024 – Present)

As a Junior Frontend Developer at Aabiz Solutions, I craft high-performance, responsive web applications using React.js, Tailwind CSS, and JavaScript. I transform Figma designs into pixel-perfect interfaces and have delivered a SaaS landing page, a dynamic analytics dashboard, and a seamless e-commerce frontend. Focused on performance, user experience, and cross-browser compatibility, I collaborate closely with designers and backend teams for flawless integration.
