SKILLS

- Javascript | ES6 |
- **React with Redux | Zustand**
- Next.js
- Tailwind | SCSS | CSS
- Github | Git | GitLab
- SQL | MongoDB
- Node | Express | Python

EDUCATION

Bachelor of Engineering in Information Technology

Mumbai University • 2019–2023

INTERNATIONAL INDIAN SCHOOL DAMMAM

CBSE • 2017–2019

LANGUAGES

- English | Hindi | Urdu | Arabic

CERTIFICATIONS

- Web Dev Certification by Infosys
- React Certification by Namaste Js
- FOSS Certification by IIT Bombay
- SQL Certification
- Project Management By Google
- Six Sigma Principles by Skillsoft
- Cloud Certification by Amazon

EXPERIENCE

Front End Developer

Khaled Solutions | Dammam • Jul 2024 – recent

- Developed responsive, user-friendly interfaces using React, optimized for cross-browser compatibility and performance through lazy loading, code splitting, and best practices.
- Supported multilingual user bases through internationalization and localization while building interactive dashboards.

Web App Developer - Yahoo Project

Media.net | Mumbai • June 2023 – Jul 2024

- **Optimized Performance:** Enhanced dropdown rendering efficiency using React Virtualization, reducing lag and improving user experience for large datasets.
- **Tooltip Implementation:** Integrated React Dynamic Tooltip library to create dynamic tooltips that reposition intelligently based on user interactions and viewport constraints.
- Designed and implemented a Virtual Segment Dimension feature and nested tables for advanced data preprocessing and visualization.
- **Bug Resolution and Hot Fixes:** Resolved critical bugs in high-impact areas, including Highcharts rendering issues, Yahoo-specific functionality, and switch behavior tracking.

Front End Developer

Axstudios | Mumbai • Jun 2022 – May 2023

- Collaborated closely with backend developers, designers, and QA testers to integrate APIs, implement authentication, and ensure data integrity and consistent functionality.
- Created and maintained custom React hooks to modularize code and enhance application performance, enabling reusable functionality across components.
